

Discover the Superb Value of our Book Jacket Covers!

Our Book Jacket Covers are the best around!

Why? Our quality, selection AND price!

Quality...

Best clarity—We use only premium-quality polyester to offer you the clearest, most transparent book jacket covers around.

Quality control—Rigid product specifications are maintained and state-of-the-art quality control methods are used to assure crystal-clear clarity and manufacturing excellence in every book jacket cover we make.

Selection...

Variety of styles and sizes—We offer unique styles of Book Jacket Covers to meet a variety of needs. Whether your preference is adjustable or exact fit, with or without paper backing, in sheets or rolls, we've got you covered.

SEE REVERSE SIDE FOR COMPLETE INSTRUCTIONS ON APPLYING CARR McLEAN BOOK JACKET COVERS.

HOW TO APPLY

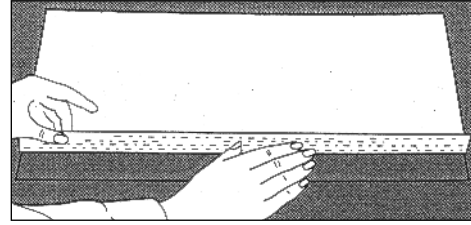

SUPERFOLD™ and PAPERFOLD™ Book Jacket Covers

1

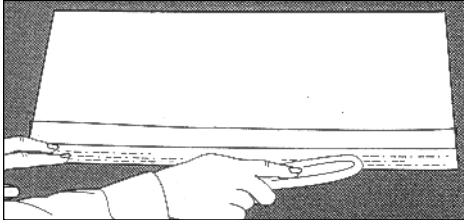

Insert book jacket (printed face down), sliding it between the paper backing and transparent film.

2

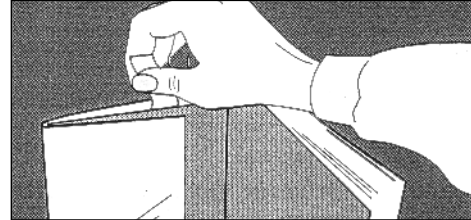

Fold paper backing along perforation at edge of book jacket.

3

Remove liner from anchor tape. Fold transparent film over onto paper backing and press down tape to hold in position. Crease film with a plastic folder. Jacket is now ready to replace on book.

4

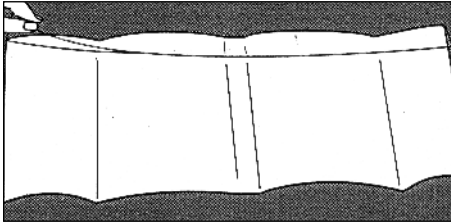

Wrap jacket around book. Lift jacket away from book and apply tape to hard outside cover of book. Wrap tape over edge of book and apply to book jacket cover.

HOW TO APPLY

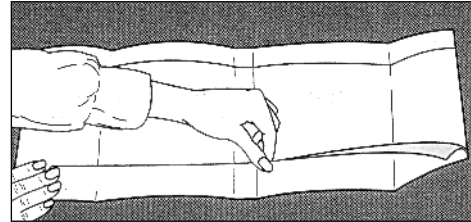

DURAFORM™ Book Jacket Covers

1

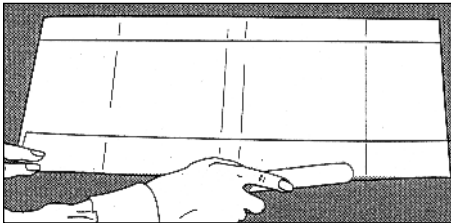

Insert book jacket (printed face down), into folded edge of book jacket cover.

2

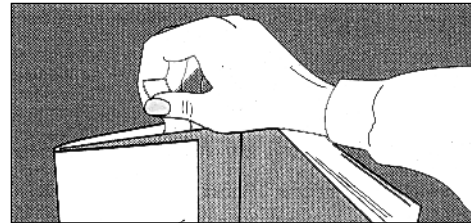

Remove liner from anchor tape. Fold transparent film over edge of book jacket and press down tape to hold in position.

3

Crease film with a plastic folder. Jacket is now ready to replace on book.

4

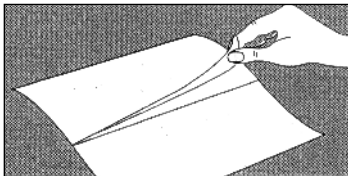

Wrap jacket around book. Lift jacket away from book and apply tape to hard outside cover of book. Wrap tape over edge of book and apply to book jacket cover.

HOW TO APPLY

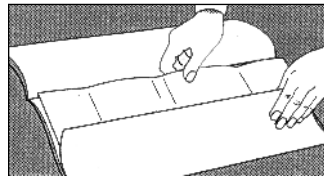

POLYFIT™ Book Jacket Covers

1

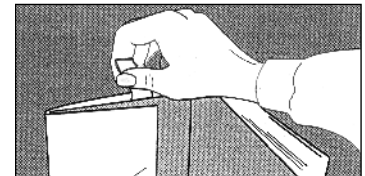

Place book jacket cover with paper side up. Open centre slit of paper backing.

2

Insert book jacket (printed face down), sliding it between the paper backing and transparent film. Jacket is now ready to replace on book.

3

Wrap jacket around book. Lift jacket away from book and apply tape to hard outside cover of book. Wrap tape over edge of book and apply to book jacket cover.
