PALMIERI Picture Book Cabinets

Attractive, functional, and fun! Picture Book Houses are available with or without casters. The Picture Book Boxes can also be mounted on steel base Cat. #L71-935 for a stand-alone unit.

These divided Picture Book Shelves are great for children's libraries. Smaller compartments help divide the collection into sections that kids can easily identify. Assembly required for Picture Book Houses.

QuadraMobile®

– Small applications

To overcome the problems resulting from a higher volume of documents to file or the reorganization or relocation of a space, Montel created the QuadraMobile®. Designed for smaller applications, the QuadraMobile® is unique as the system can expand in both directions in order to fill the growing needs of it's users. Manual, mechanical and electrical available.

Mobile High Density Storage Systems

– Please call for inquiries

Carriages, frames, uprights, shelves, cabinets, textile racks, art panels, accessories—they make them all! Montel has the largest portfolio of storage products in fixed and High Density Mobile Storage Systems. A pioneer in the industry of mobile shelving units, Montel has undertaken technically advanced projects of great prestige in North America and around the globe.

Thousands of Montel Mobile Systems have been installed across North America—many of which have been in use now for more than 40 years. They are renowned for being maintenance and trouble free.
